Council Redistricting Informational Session *June 2, 2011 at 5:30 p.m.*

(Stockton, CA) - The City Clerk has posted the 2010 Census demographics of the current Council districts. As a result of the 2010 United States Census, the City Clerk notes that the uneven population growth in the City of Stockton will require adjustments to the City Council districts. The City Clerk is required to adjust the districts under City Charter Article II, § 200 following each decennial census.

The City Clerk is holding an informational meeting regarding the process on June 2, 2011 at 5:30 p.m. in the Council Chambers, 2nd floor of City Hall, 425 North El Dorado Street, Stockton, California. The purpose of this meeting is to explain the process that is underway to adjust the boundaries of each City Council district following the 2010 Census and to provide an opportunity for the public to ask questions regarding the process.

All questions are directed to the City Attorney at (209) 937-8333.
